

PERU

CAFÉ DEL FUTURO, GRADE 1, SHB+, Q82, MUNDO NOVO, BOURBON, CATURRA, CATIMOR

This coffee comes from the Asociación Café del Futuro, which includes over 600 farmers from the Jaén region in Peru. The cooperative was founded in 2007 and is known for high-quality coffees with selected varieties such as Caturra, Catimor, Bourbon, and Mundo Novo, with a strong focus on certified coffees.

Since 2021, we have been working closely with Café del Futuro, advocating for food security and diversified agricultural practices for more than 200 farmers in the cooperative. In the coming years, we aim to continue our projects with the Asociación Café del Futuro and support even more farmers.

Read more about the project [here](#).
