## PETIT KUILU, ROBUSTA, SCR. 12/15, COOPERATIVE COCOI

Founded in 2022, COCOI is a forward-thinking private company making a meaningful impact in Lukula's coffee sector. By establishing a state-of-the-art drying and washing station on a 3 hectare site, COCOI has brought innovation and opportunity to the region.

In collaboration with ITC-ACRAM, COCOI has empowered local farmers through hands-on training in sustainable agriculture, improved planting techniques, and smarter harvesting methods. By offering competitive prices for high-quality red cherries, COCOI ensures farmers are fairly compensated.

COCOI strengthens the local economy by employing over 100 community members in essential roles, from pre-sorting and pulping to fermentation, drying, and packaging. This not only guarantees high coffee quality, but also creates valuable jobs in the heart of Lukula.
