## BIOTA, COORG, ROBUSTA, PARCHMENT AB

Biota is a farmer-owned cooperative based in the Coorg region of India, exclusively focused on cultivating high-traceability Robusta coffee. Founded in 2020, Biota now partners with over 100 coffee growers, united by a shared commitment to quality and transparency.

The cooperative operates on a model of collective effort, pooling harvests from surrounding farms. Its operations are guided by clear, transparent pricing structures that are easily understood by all members. To ensure consistency and quality, Biota has established straightforward, standardized farming protocols and quality requirements that every member must follow.
