## ABAKUNDAKAWA, GRADE A1, SCR. 15+, NATURAL, BOURBON

This Fairtrade and Organic certified Natural Bourbon originates from the Abakundakawa Washing Station. The name Abakundakawa means "those who love coffee" and belongs to a cooperative established in 1999. In 2002, the cooperative launched a women's initiative called Hingakawa, meaning "let's grow coffee," which now includes 916 women. The group promotes gender equality and helps combat poverty within the community. The cooperative's farmers hand-pick only ripe cherries in Rwanda's mountainous Gakenke District. Thanks to the region's unique microclimate, high altitudes, and nutrient-rich volcanic soil, the resulting coffee is known for its balanced sweetness and bright floral and fruity characteristics.
