

BRAZIL

SUL DE MINAS, NY 2/3, SCR. 17/18, SSFC

Sul de Minas is a renowned coffee-growing region in Brazil known for its fertile soils, high altitudes, and favorable climate, producing beans with balanced acidity, sweetness and complex aromas. This coffee is exported by Exportadoras Guaxupé, a company committed to sustainability. Their sustainable coffees program supports growers through certification, technical guidance, and continuous improvement, ensuring traceable and environmentally responsible practices. In 2022, they became the first Brazilian company to receive GCP Equivalence under the Coffee Sustainability Reference Code, recognizing their leadership in social, environmental and economic best practices.
